Yes

No

3. The Online Inquiry and Background Information: General Organizational and P...

- * 11. Please share a brief description of your organization. (Your response should be limited to approximately two paragraphs, or 2,000 characters.)

Additional information will be requested in Part B and if the Foundation's initial review results in a request for a concept paper or full proposal.

- * 12. Please share a brief description of your idea.

- * 13. Please briefly outline the outcomes you'd expect to see from the work described above. The Foundation is most interested in outcomes for economically isolated people and communities. We are particularly focused on results achieved through partnerships between business and nonprofit organizations that enable economically isolated people to earn living wages, accumulate savings and assets.

- * 14. Please describe the community and/or people most affected by the project idea described above.

- * 15. Please describe the business or businesses most affected by the project idea described above.

- * 16. Are you collaborating with other organizations and/or have you received funding or in-kind support from other sources? (Please describe collaborating organizations or other support.)

4. Organizational and Project Detail Questions

17. Is your project idea's primary focus on...? (Select only the primary purpose.)

A. Projects in Communities: improving the ability of economically isolated people to work, earn living wages, and/or accumulate assets in the manufacturing, apparel, health care, food or hospitality sectors or industries?

B. Forwarding the Corporate Citizenship Field: building the capacity of or new knowledge in the corporate citizenship field, demonstrating effective and innovative corporate citizenship practices, and/or promoting learning and dissemination of good practices? (Corporate citizenship is also known as corporate responsibility, corporate social responsibility, or business social responsibility.)

A.

B.

* 18. Please outline the project idea's likely benefits in terms of expanding work, wages, and savings/assets of low-wage workers.

* 19. Please describe how your project or idea will demonstrate effective corporate citizenship practices.

* 20. Does the project idea represent a new area of activity for your organization? If not, outline some outcomes and/or accomplishments achieved by your organization through these activities over the past year or two.
